

Timothy Doran

Full Stack Developer

Having 6+ years working passionately within the Aquatics Industry as a Swimming Coach, I bring a wealth of transferable skills. I excel at breaking down complex tasks into simple ideas; mentoring and supporting colleagues, as well as motivating clients to achieve their full potential. I want to use the drive and tenacity I have to tackle new challenges in an inovative and fast-paced industry. Post graduation from Northcoders, I am hungry to keep learning and produce quality work and look forward to working at a company that wants to make as big of an impact as I do.

Codecademy last year, where I
taught myself Python, I have
been learning to code in my free
time ever since.
- * Completed 160km Cycle
Challenge around Lake Taupo, NZ
- * Completed Olympic Distance
Triathlon, looking into doing a
Half IronMan next year.
- * Grade 7 Violinist

Projects

NorthCoders-News

A news aggregation web app in the style of Reddit built over 2 weeks. Back-End built as a RESTful API using TDD. Tested with Mocha, Chai and Supertest.

[Hosted Front-End / Front-End Code](#) - React, CSS, Netlify.

[Hosted Back-End / Back-End Code](#) - Node, Express, SQL, PSQl, Knex, Heroku.

Final Project

Built over 2 weeks as a team of four during Project Phase at NorthCoders. This is a fitness tracking mobile app with social rewards and live updates.

[Hosted Front-End / Front-End Code](#) - React Native, CSS....

[Hosted Back-End / Back-End Code](#) - Serverless, DynamoDB

Experience

Northcoders, Manchester, UK (Jul - October 2019)

Developer Pathway - Trainee Full-Stack Developer

- * Accelerated 3 month full-time course centered around JavaScript for Front-End and Back-End Software Development.
- * Pair programming daily to work through difficult problems.
- * Using Test Driven Development throughout to ensure our code meets the requirements of each brief we received.
- * Daily practice in writing code to solve katas, write APIs and many other sprints.

CLM Sacred Heart & CLM The Bays, Auckland (Oct 2016 - Jun 2019)

Aquatics Centre - Swimming Coach

- * Supporting the business primarily to coach swimmers for all ages from 4 -76yo, beginner to advanced.
- * Taking private classes in addition to classes of up to 15 students.
- * Ability to cover other roles within the business as needed such as receptionist, cafe staff and lifeguard, bringing as much value as possible.
